ABOUT US

JCBL Group is a leading business conglomerate. From an early foray into mobility solutions space to staying abreast of the latest technologies, JCBL Group today has a strong presence across diverse sectors of economy such as automotive, construction & infra building, logistics, healthcare, parts & components for railways and buses, agriculture, defence and many more. At present we have 5 manufacturing plants, 21 Automobile dealerships with various offices catering to our diverse customer profile. Our Group turnover is over USD 280 million.

JCBL India is an international face of JCBL Group and currently we are exporting our products to South East Asia, Middle East, Africa, Europe, South America, USA and Russia.

JCBL Furnishing and Construction division is the one stop destination for complete range of JCBL High Pressure Laminates, Sanitary ware, Tiles and Bath Fittings.

JCBL Tiles offer you a technically-advanced collection of Vitrified and Wall tiles with an extensive range of tile décor options to decorate your residential and commercial areas. Our tiles collection is driven by Innovation and Quality to provide the ultimate customer satisfaction.

The offered range of Tiles can find its application in wide areas like Residential and Commercial buildings, Hotels, Airports, Shopping Malls, Hospitals as well as other renovation and restoration projects.

We are well equipped with latest trending designs supported by state-of-the-art manufacturing facilities and amenities with an ever improving mind set on every aspect.

THE BEAUTY OF LARGE SURFACES

Connecting you to the luxurious feel of our signature products, our exclusive collection is available in new sizes and new designs i.e. 1200x1800 & 800x1600 for your modern and urban spaces.

Designed for the modern lifestyle aspirations that you desire, the collection reflects your aspirations. Adding this collection to your home will address every aspect of your design and lifestyle needs.

There is one aspect about our tiles that sets them apart from all the other tiles on the market. There is ample space to innovate and create since the pieces are larger and with fewer cuts. From cement and stone woods to beige and classic, the tile collection offers a design suitable for almost every space.
