STANDARD COLLECTION

COMPANY PROFILE

JCBL Group is a leading business conglomerate. From an early foray into mobility solutions space to staying abreast of the latest technologies, JCBL Group today has a strong presence across diverse sectors of economy such as automotive, construction & infra building, logistics, healthcare, parts & components for railways and buses, agriculture, defence and many more. At present we have 5 manufacturing plants, 21 Automobile dealerships with various offices catering to our diverse customer profile. Our Group turnover is over USD 280 million.

JCBL India is the international face of JCBL Group we are currently exporting to South East Asia, Middle East, Africa, Europe, South America, USA and Russia. Furnishing and Construction division is the one stop destination for complete range of JCBL Sanitary ware, High Pressure Laminates, Tiles and Faucets.

JCBL Sanitary ware brings to you, best quality sanitary products with continuous adaptation to new market trends. JCBL's products are the result of a manufacturing process that takes them at the frontline of world technology. Our motto is to provide the products with topmost quality that are driven by modernization and extraordinary design that conform to the international standards.

The depth of our variety in size, color, finish and functionality makes our sanitary ware collection an ideal choice for Architects and Interior Designers thus making JCBL India a reliable source for Sanitary ware for customers across the Globe.

“JCBL Standard Sanitaryware Collection is a proper blend between quality and budget. We offer you the best quality products at the most reasonable prices to be used extensively in your household. Our products are designed keeping in mind the general demand and usage of our esteemed consumers.”
